6. Other

6.1) Additional Comments

- Bernard is the best human being ever. I think the only problem with this course was the lack of attendance at the end by people that already had enough points to get an A. I think a better system for this would be to say you get dropped a letter grade for every 3 you miss or something like you receive a zero for attendance if you miss 3 ect.

7. Demographic (REQUIRED) - These questions are only requested for research purposes. They will not be associated with you individually and will not be disclosed to the instructor. An answer is required for both questions.
